We've scoured the city yet again to bring you places that will excite your taste buds, spruce up your home and enrich your life.

10

**1. Debis Creations Photo Prop** For your next photo shoot with a little bundle of joy, use this very soft, caramel-coloured yarn basket photo prop. It's the perfect addition to any photographer's collection and is meant for photographic purposes only, not for personal use. Supervision required. [www.etsy.com](http://www.etsy.com)

**2. Yellow Warblers Watercolour Painting** Bring in the summer colours, thick green grass and, of course, the singing birds. This original watercolour painting is sure to spring life into your domain. Drawing from references in ornithology, this painting resembles two parents softly singing to their little soon-to-be babies. [www.etsy.com](http://www.etsy.com)

**3. Dinner Jazz Music Compilation** Entertain guests while you're all enjoying a delicious dinner at your next social gathering. *Dinner Jazz* features tunes played on Jazz FM 91. Gather with those around you with the beautiful atmospheric background sounds that connect both food and music. **6. Molto Gusto by Mario Batali and Mark Ladner** From Mario Batali's famous New York Restaurant, Otto Enoteca Pizzeria, to your taste buds; experience mouth-watering Italian delicacies right in your own home and learn the secrets to making truly authentic Italian dishes. [www.chapters.indigo.ca](http://www.chapters.indigo.ca)

**7. Apple iPad** Experience the world as you know it though portrait or landscape size, all on a multi-touch screen on Apple's iPad. Surf the web, write an e-mail, watch a movie or gaze through all your personal photos in an instant. In your spare time, kick back and enjoy a good book on the iPad. **9. Polar Lounge – Hotel Marcel in Gramercy Park** If you are ever in New York City's famous Gramercy Park, you absolutely have to check out Polar Lounge at The Marcel. With its North Pole setting, sit on faux polar bear fur couches, cave-like lounge areas, stainless steel accents and a cool environment where you can see your own breath. This definitely puts an interesting twist on the traditional summer party. [www.nycpolar.com](http://www.nycpolar.com)

**10. KIWI U-Powered: Solar & USB Portable Charger** The Kiwi U-Powered is a revolutionary and environmentally friendly product that can be charged by a USB port, car charger or even the sun. The Kiwi U-Powered can be used as a backup power source for a variety of electronics such as cellphones, iPods, Blackberries and digital cameras. [www.kiwichoice.com](http://www.kiwichoice.com)
